Greetings!

Welcome to our 9th season of concerts! We hope you will join us as we embark on another year of adventures in music! Hear beautiful works and pieces never performed before, right here in New Jersey. Over the past 9 years (and through the assistance of grants from Bergen County, the Alice M. Ditson Fund of Columbia University and your generosity) we have been able to create a repertoire for flute, clarinet and piano that is a true testament to our mission. We have commissioned 34 works to date, when combined with gifts and composer transcribed works, we will reach 50 works this season! Our 50th work will be by a composer from the 50th state! We look forward to seeing you at our concerts this season!
